Round Ornamental Tubing Sizes and Finishes

800-222-6144 Fax: 215-536-3255 www.pennstainless.com

Penn Stainless stocks round ornamental tubing in a number of standard sizes in 304 and 316/316L that are well suited for structural and architectural applications such as stainless hand rails. Round tubing is stocked in standard mill finish, 180 Grit (#4 Polish), with availability in 240 Grit, 320 Grit and a #8 mirror finish. Additional stainless finishes can be supplied and can be matched per customer sample. All round ornamental tubing can be cut to exact specifications. For larger fabrications, Penn Stainless can supply rolled and welded tubing in excess of 24" diameter. We recently supplied 6 pieces of tubing, 317/L grade, 21-1/4" OD x .250 Wall x 78" long. We can standardize your most challenging tubing requirements with short delivery schedules.

Penn Stainless Products

Round Ornamental Tubing Sizes and Finishes

800-222-6144 Fax: 215-536-3255 www.pennstainless.com

Penn Stainless stocks round ornamental tubing in a number of standard sizes in 304 and 316/316L that are well suited for structural and architectural applications such as stainless hand rails. Round tubing is stocked in standard mill finish, 180 Grit (#4 Polish), with availability in 240 Grit, 320 Grit and a #8 mirror finish. Additional stainless finishes can be supplied and can be matched per customer sample. All round ornamental tubing can be cut to exact specifications. For larger fabrications, Penn Stainless can supply rolled and welded tubing in excess of 24" diameter. We recently supplied 6 pieces of tubing, 317/L grade, 21-1/4" OD x .250 Wall x 78" long. We can standardize your most challenging tubing requirements with short delivery schedules.
