FOR IMMEDIATE RELEASE

New Hyde Park, New York — A new interactive CD-ROM from **Stock Drive Products/Sterling Instrument** (an ISO 9001 manufacturer) includes over 2,500 updated product pages with up to 10 times faster access time as compared with internet page load times, especially for .PDF pages. In addition, the CD includes a 9-minute video presentation covering the capabilities and production facilities at SDP/SI. The CD includes 4 major SDP/SI catalogs totalling over 3,000 catalog pages in .PDF and .HTML covering over 68,000 drive components.

With this interactive CD, you can order or get quotes directly from our Web eStore. Accessing the eStore will also enable you to be able to download 2D & 3D CAD drawings. You can also see a competitor cross-reference database plus a catalog number database for all SDP/SI part numbers showing in which catalog and page number they are located. In addition, the CD contains a comprehensive 784-page Technical Reference Section plus an image-driven product database to make it very simple to find the components you are interested in finding.

The interactive SDP/SI D710 CD is available free upon request from **Stock Drive Products/Sterling Instrument**, 2101 Jericho Turnpike, P.O. Box 5416, New Hyde Park, New York 11042-5416. Phone: 516-328-3300 • Fax: 516-326-8827. Web: <http://www.sdp-si.com>.
