**NEW!**

**Series A6**

**Durable Pressure Switch**

The **NEW Series A6 High Pressure Switches** are designed to stand up to extended duty applications. This switch is factory set but capable of field adjustment. It features a brass or stainless steel base, a glass reinforced polyester switch body, silver alloy/gold plated contacts, and polyimide film diaphragm. The Series A6 switch is compatible with a wide variety of fluids, including air, motor oils, transmission oils, jet fuels and other similar hydrocarbon media. Among the outstanding benefits is its durable construction, compact size, and enhanced set point integrity.

Complete details are available on our website @ <http://www.dwyer->
