## Stainless Hex Bar

800-222-6144 Fax: 215-536-3255 www.pennstainless.com

Penn Stainless inventories stainless hex bar from 3/16" thru 3" in 303, 304/L, 316/L, 410 and 416 stainless. In many sizes, stainless hex is available in our proprietary brand of machining bars: PennMet 2000. PennMet 2000 offer Superior machinability and lower cost machined parts. Our stainless bar processing equipments enables Penn Stainless to produce parts to our customers' precise requirements. Please review our stainless rounds, squares and rolled flat products for a full overview of stainless bar products. Contact a Penn Stainless sales associate for pricing and delivery for our stainless bar products.
